COMMON AREA CLOSURE INCLUDING BUT NOT LIMITED TO CLUBHOUSE (GYM, POOL CLUBROOM, BATHROOMS), PARKS, TENNIS COURT AND SPORTS PARK.

WILL BE CLOSED UNTIL FURTHER NOTICE.

Dear DHVCA Residents,

On Sunday, March 15th, Governor Gavin Newsom called for Californians who are 65 and older as well as those experiencing chronic disease to immediately home isolate themselves.

“Each of us has extraordinary power to slow the spread of this disease. Not holding that concert or community event can have cascading effects — saving dozens of lives and preserving critical health care resources that your family may need a month from now. The people in our lives who are most at risk – seniors and those with underlying health conditions — are depending on all of us to make the right choice.”

As Coronavirus (COVID-19) continues to be a concern worldwide, the Dominguez Hills Board and Management has made the difficult decision to cancel all our community programs and close facilities until further notice.

At this time, the office will remain open to handle the business of the Association by email, web messaging and phone. Messages can be relayed by utilizing Message to Management on our website, our Association Office at 310.223.3900 or by email to General Manager, Leonardo Beard lbeard@keystonepacific.com and/or Associate Manager Rosie Gonzalez rgonzalez@keystonepacific.com

Staff will continue increased cleaning routines to assist in minimizing exposure. The best way to prevent illness is to avoid being exposed to the virus. The Center for Disease Control (CDC) and the California Department of Public Health (CDPH) recommend the following everyday preventive actions to help prevent the spread of respiratory diseases. Updates and additional information on the COVID-19 virus can be found on the CDC website <https://www.cdc.gov/coronavirus/2019-ncov/index.html> and CDPH website at <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Immunization/ncov2019.aspx>
