

CITY OF CARSON COVID-19 TESTING SITE

Start date: Monday, April 27, 2020

In an effort to limit the spread of COVID-19 (Coronavirus) and flatten the curve to keep residents safe, City of Carson elected officials unanimously approved partnering with US Health Fairs, a Los Angeles-based 501(c)3 non-profit organization to provide free testing to ALL residents who may have been exposed to COVID-19. This includes those who are displaying symptoms and asymptomatic carriers. Those with acute (severe) symptoms such as high fever and shortness of breath will be redirected to a local ER.

How do I get tested?

Testing is by appointment only. To schedule an appointment, please register online at <https://ushealthfairs.org/carson-testing/> or call (310) 952-1719.
