Please do not allow your pets to dig in the mulch.

Dogs must be on leashes at all times when in the common areas of our community.

Always pick up after your dog.

Responsible pet owners make GREAT neighbors!

### TRASH CANS

Trash is being thrown over the fence or just being tossed at the trash bin Instead of being placed where it really belongs, inside of the bin itself.

The trash bin lids need to be lifted and opened so the trash can be deposited inside. Please breakdown your boxes.

When this isn't done, guess what?

You're right! Trash ends up all around the trash enclosures instead of inside of the trash bin. So, please be considerate of your fellow residents and help Dominguez Hills Village maintain its cleanliness. Lids are always to remain closed. We don't want vermin suddenly discovering a new source of free food. If you observe this being done, please contact the Management Office Immediately so something can be done directly about this trash problem.

### DON'T FORGET TO OBTAIN APPROVAL FIRST!

If you are planning ANY type of exterior modification to your home, including, but not limited to **gates, rear yard landscaping, window replacement, sheds etc.**, please remember you must **FIRST** submit the required **Architectural Application**.

**Application for review and approval by the Architectural Committee.**  
Please contact management for the ARC application (310) 223-3900
