*** RESIDENTIAL GATES

Please be advised that the gates are designed for one vehicle to enter at a time. If there is a vehicle entering before you, PLEASE WAIT for the barrier arm to come down before proceeding.

We also are recommending that residents purchase pedestrian gate keys and not walk through the entrances and exits.

This will help identify unauthorized personnel.

The association will not be held responsible for any damages to vehicles found in violation as this is a form of tailgating.

The homeowner(s) unit of any responsible party that hits and damages the barrier arms will be assessed a \$65.00 minimum repair fee.

PETS

Please be advised that O’Connell Landscape installs mulch on the crownshaft of the palm trees in the community as instructed by our Palm Tree Specialist MTR Horticulture to provide the continued nourishment required to stay healthy. We are finding that resident/homeowners are allowing their

pets to ground-scratch on the mulch pulling it away from the crown shaft. Please do not allow your pets to ground scratch near the palm as it affects the overall health of the trees and become an additional expense for the Association.

Always pick up after your dog.

LARGE ITEM PICK-UP

If you have a large item(s) to dispose of, outside the regular items accepted in the Association’s dumpsters, please contact Waste Resource 310-366-7600 to arrange for your Large Item Pick-Up. You are allowed one (1) free large item pick up per unit address.

ANYONE OBSERVED LEAVING LARGE BULK ITEMS OR CONSTRUCTION MATERIALS INSIDE THE TRASH ENCLOSURES OR BINS WITHOUT A SCHEDULED PICKUP WILL BE FINED WITHOUT WARNING.

Please place your items out the night before or the morning of the Big bulk item pick-up. Please notify management prior to your Large Item Pick-Up.

TRASH CANS

Trash is being thrown over the fence or just being tossed at the trash bin instead of being placed where it really belongs, inside of the bin itself.

The trash bin lids need to be lifted and opened so the trash can be deposited inside. Please breakdown your boxes.

When this isn’t done, guess what?

You’re right! Trash ends up all around the trash enclosures instead of inside of the trash bin. So, please be considerate of your fellow residents and help Dominguez Hills Village maintain its cleanliness. Lids are always to remain closed. We don’t want vermin suddenly discovering a new source of free food. If you observe this being done, please contact the Management Office immediately so something can be done directly about this trash problem.

DON’T FORGET TO OBTAIN APPROVAL FIRST!

If you are planning ANY type of exterior modification to your home, including not limited to gates, rear yard landscaping, solar panel installation, window replacement, etc., please remember

you must FIRST submit the required ARC Application for review and approval by the Architectural Committee
